

**CHESTERFIELD TOWNSHIP  
ENVIRONMENTAL COMMISSION**

**RESOLUTION NO. 2015-01**

**RESOLUTION OF THE ENVIRONMENTAL COMMISSION  
OF THE TOWNSHIP OF CHESTERFIELD  
OPPOSITION OF THE TRANSCONTINENTAL GAS PIPELINE COMPRESSOR  
STATION PROJECT AND SRL PIPELINE PROJECT**

**WHEREAS**, the Transcontinental Gas Pipeline Company (Transco), a subsidiary of Williams Partners Company, is implementing an expansion project throughout New Jersey to construct the Southern Reliability Line (SRL) Pipeline Project, and

**WHEREAS**, the project includes constructing a compressor station and associated electrical substation on the Transco Trenton Woodbury Lateral in Burlington County, NJ that will feed high pressure natural gas into the SRL Pipeline, and

**WHEREAS**, after extensive research by our commission of said proposal, several dangers and health concerns to residents were identified, including: there have been at least four fires and explosions just within the past three years at Williams/Transco compressor stations, the most recent being in Branchburg, NJ where several workers were injured and hospitalized, and

**WHEREAS**, there are two public schools, one private school and extensive high-density residential neighborhoods within the identified danger zone, and

**WHEREAS**, the need for such a project as given by Williams/Transco is overstated as it is rapidly becoming unnecessary with the increased growth of sustainable, clean energy sources such as a solar and wind power, and

**WHEREAS**, residents within the required notification are not notified of said proposed projects, as required by law.

**NOW, THEREFORE, BE IT RESOLVED** by the Environmental Commission of the Township of Chesterfield, assembled in public session on this 8<sup>th</sup> day of December 2015, that our Commission does hereby adopt this resolution number EC-2015-01 opposing the construction of the Williams/Transco Compressor Station and SRL Pipeline.

**CERTIFICATION**

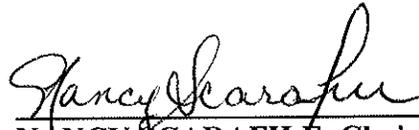

I hereby certify that this foregoing Resolution is a true resolution, as adopted by the Environmental Commission of the Township of Chesterfield in accordance with its decision at its regular meeting on December 8, 2015.

**Attest:**
