Bob Martin, Commissioner
NJ Department of Environmental Protection
401 E. State Street
PO Box 402
Trenton, NJ 08625

Dear Commissioner Martin,

We are writing to express our support for Chesterfield Township's request for additional public hearings regarding the Transcontinental Gas Pipe Line Company (TRANSCO) project. Attached are two letters sent to the Department from the Parker McCay firm which represents Chesterfield in the following matters.

Transcontinental Gas Pipe Line Company, LLC
Individual Freshwater Wetlands Permit Application
Garden State Expansion Project
PI No. 0300-15-0002.2; Activity No. FWW 150001

Township of Chesterfield Request for a Public Hearing
Transcontinental Gas Pipe Line Company, LLC - Garden State Expansion Project
Flood Hazard Area Individual Permit No. 0300-15-0002.2 FHA 150001

We request that the Department schedule a hearing on the Wetlands Application to allow the public the opportunity to speak directly to DEP regarding questions and concerns about significant impacts that the Wetlands Application and the Project present, as well as granting an adjudicatory hearing on the Flood Hazard Area Individual Permit.

Sincerely,

Sam Thompson
