Chief Kyle Wilson

Chesterfield Twp. Police Department is pleased to announce that it has partnered with Project Child Safe. Project Child Safe is a nationwide program that promotes safe and responsible firearms ownership and storage. This is accomplished by brochures that cover firearms responsibility and general handling, safe storage of firearms, safe home checklist, a message to kids about firearms, along with a kid's contract. In addition to the brochure, we will supply to you a firearms cable lock for each firearm you own. The cable locks work on all handguns (semi-automatic or revolver), long guns (shotguns, rifles). The information and locks are **free** to Chesterfield Township residents. Please feel free to stop at the Chesterfield Township Police Department to get your **free** locks and brochures.
